Sport Armband for iPhone 4 Protective Cases (and more)

This armband was primarily designed to hold the Otterbox iPhone 4 / 4S Defender Series Case. It also fits Otterbox iPhone 3G / 3GS Defender Series Case, Otterbox iPhone 3 / 3GS Commuter Series Case, Otterbox iPhone 3G / 3GS Impact Series Case and many other Otterbox cases as well as other protective smartphone cases some of which are listed below. Its many features and benefits provide unmatched comfort, convenience and protection while you run, workout or listen on the go.

Convenience:

- Fits many devices right side up, or upside down to read screen easier when viewed on arm
- Full navigational control through clear, protective window cover
- Cord flap securely stores and manages earphone cord
- Washable

Comfort:

- Lightweight, comfortable neoprene construction
- Stable and cushioning armband securely holds player
- Adjustable armband fits 9" - 17"

Protection:

- Cushioning, neoprene protects player
- Covers device (except vital access points at bottom)
- Helps protect against perspiration, bumps, scratches & the elements

- Reflective logo

Pocket dimensions: Maximum size of case or device this armband will fit: Length:5.1" - Circumference (2X width + 2X depth) - up to 6.75"
